

**Side Events
organized by Italy**

Tuesday 26 September
(10:00-11:30)

ENEA. "Nuclear Forensics 4.0"
Conference Room CR2, C Building, second floor

Tuesday 26 September
(12:00-13:30)

**ENEA and CAEN. "Innovation in Support for
Nuclear Safeguards, Non-Proliferation
and Nuclear Security"**
Conference Room M4, M Building, ground floor

Thursday 28 September
(15:30-17:00)

**ENEA. "Advancement of Lead Cooled Fast Reac-
tor Technology: A Global Overview"**
Conference Room CR3, C Building, seventh floor

**Programme of Events
at the Italian Exhibition Stand
(VIC - Rotunda)**

Tuesday 26 September
(12:30-16:00)

Opening Ceremony (13:45)

"HISTORY AND RESEARCH"
Short seminars with experts from:
Radioactivity Museum of Milan,
Politecnico di Milano,
University of Rome TorVergata, University of Rome Sa-
pienza, Pavia University, Siena University

Wednesday 27 September
(12:00-15:30)

"DEVELOPERS"
Short seminars with experts from:
CAEN, INFN, CNR, ENEA,
Mitambiente, Ansaldo Nucleare

Thursday 28 September
(12:00-16:00)

"NUCLEAR ACTIVITIES"
Short seminars with experts from:
ISIN, SOGIN, ENEA, NUCLECO, ELSE Nuclear, INFN, AIPnD

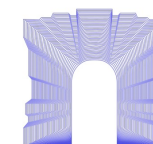

Permanent Mission of Italy
International Organisations - Vienna

IAEA — 67th GENERAL CONFERENCE
25 - 29 September 2023

**ATOMS FOR THE FUTURE:
ITALIAN RESEARCH AND INNOVATION**

**Programme of Events
organized by Italy**

Roma
Italia
EXPO 2030

Tuesday 26 September

(Italian Exhibition Stand—Rotunda)

“HISTORY AND RESEARCH”

Opening Ceremony (13:45)

Welcome by:

- Head of the Italian Delegation to the 67th GC, **Giorgio Silli**
(State Secretary of Foreign Affairs and International Cooperation)

- IAEA Director General, **Rafael Mariano Grossi**

- Designated Permanent Representative of Italy to IAEA, **Debora Lepre**

followed by **Light Cocktail**

Short Seminars (12:30-16:00)

RADIOACTIVITY MUSEUM. **Radioactivity: Wandering through the Museum** (12:30-13:00)

Speaker: F. Cioce

POLITECNICO DI MILANO. **The Role of Education & Research in Supporting a Country's Nuclear Programme** (13:00-13:30)

Speaker: M. Ricotti

UNIVERSITY OF ROME TORVERGATA. **Mastering Civil Defence and R/N Critical Infrastructure Protection in Conflict** (14:00-14:30)

Speaker: R. Mugavero

UNIVERSITY OF ROME SAPIENZA. **Italian Overview on Nuclear Research Activities: Energetic and Non-energetic Applications** (14:30-15:00)

Speaker: R. Remetti

PAVIA UNIVERSITY. **Interdisciplinary Use of “Academic Neutrons”** (15:00-15:30)

Speaker: A. Salvini

SIENA UNIVERSITY. **Political and Historical Studies for Nuclear Knowledge Management, Policy-making and Civil Society Communication** (15:30-16:00)

Speaker: M. Gerlini

Wednesday 27 September

(Italian Exhibition Stand—Rotunda)

“DEVELOPERS”

Short Seminars (12:00-15:30)

CAEN. **Innovative Platform for Nuclear Security and Safeguards** (12:00-12:30)

Speaker: M. Morichi

INFN. **Characterization of Nuclear Waste and Nuclear Spent Fuel Containers with Muon Tomography** (12:30-13:00)

Speaker: P. Checchia

CNR. **Novel Ionizing Radiation Sources Based on Ultra-intense Lasers: Radioprotection Measures and Perspectives - Portable XRF Spectrometers in the Cultural Heritage Sector: Radiation Protection Aspects** (13:00-13:30)

Speaker: E. Ragno

Light Cocktail at 13:30

INFN. **Low-cost Radiation Detectors for Nuclear Safety and Security developed at INFN** (13:30-14:00)

Speaker: P. Finocchiaro

ENEA. **Developing Nuclear Technologies: SMR, Irradiation Facilities & Drones** (14:00-14:30)

Speakers: M. Tarantino, L. De Dominicis

MITAMBIENTE. **40 Years' Experience among Opportunities and Challenges of the Italian Market** (14:30-15:00)

Speaker: R. Vespa

ANSALDO NUCLEARE and other partners. **SMRs/AMRs Role in the Italian Energy Mix** (15:00-15:30)

Speakers: R. Adinolfi (Ansaldo Nucleare), L. Mottura (Edison), S. Baldi (EDF)

Thursday 28 September

(Italian Exhibition Stand—Rotunda)

“NUCLEAR ACTIVITIES”

Short Seminars (12:00-16:00)

ISIN. **STRIMS - The ISIN Nuclear Material, Ionizing Sources and Radioactive Waste Traceability System** (12:00-12:30)

Speaker: M. Dionisi

SOGIN. **The Italian future Nuclear Waste Repository and Annexed Technology Park** (12:30-13:00)

Speaker: A. Mariani

ENEA. **Recent ENEA R&D Activities in the Fields of Nuclear Fission and Fusion** (13:00-13:30)

Speaker: A. Dodaro

Light Cocktail at 13:30

NUCLECO. **Radioactive Waste Management in Nucleco: the Route from Collection to Safety Storage** (13:30-14:00)

Speaker: N. Cherubini

ENEA. **Nuclear Safeguards and the Italian Support to IAEA RANET** (14:00-14:30)

Speakers: F. Rocchi (ENEA), S. Scarpato (ISIN)

ELSE Nuclear. **State of the Art of Instrumentation for Neutron Spectroscopy and its Crucial Role for Safety, Security and Safeguards** (14:30-15:00)

Speaker: G.P. Manessi

INFN. **Applications of Detectors and Technologies in the Energy Field** (15:00-15:30)

Speaker: M. Ripani

AIPnD. **The Role of Personnel Training and Certification in the Non-Destructive Inspection of Civil Nuclear Infrastructure** (15:30-16:00)

Speaker: R. Felicetti
